

STRICTLY PROHIBITED

Never leave these here

The items below must never be left in the bin room or next to the bins.

Something bulky? Ask first.

What's not allowed, and where it goes instead

Rubble and building waste

Soil, sand, gravel, tiles, demolition debris.

→ A skip ordered from the waste collection operator

Furniture and bulky items

Sofas, chairs, mattresses, rugs, doors, wardrobes.

→ Collected on request by the waste operator

Electrical and electronic items

TVs, appliances, light bulbs, cables, gadgets.

→ The shop, when you buy a new one, or WEEE collection drives

Batteries and accumulators

Batteries of any kind, accumulators, power banks.

→ Battery collection boxes in shops

Tyres and car parts

Tyres, rims, used car parts, motor oil.

→ The garage or tyre shop that replaces them

Flammable and hazardous

Gas cylinders, paint, solvents, full aerosols, hot embers or ash.

→ Licensed centres or collection drives

What happens if the rule is broken

The bin room is under video surveillance. Whoever leaves banned items is identified.

The person who leaves them pays for the extra removal, plus a fine.

Otherwise we all pay: the operator can double the fee for the whole association.
